OFFICE OF SCHOOL SUPPORT SERVICES MEMORANDUM NO. FS3-2010

TO: **PRINCIPALS OF ALL DAY SCHOOLS
AFTER SCHOOL HOURS PROGRAM COORDINATORS
ADMINISTRATIVE SCHOOL FOOD SERVICE MANAGERS
ASSOCIATE SCHOOL FOOD SERVICE MANAGERS
SCHOOL FOOD SERVICE MANAGERS
ISC/SSO EXECUTIVE DIRECTORS
ISC/SSO DEPUTY DIRECTORS

FROM: Lawrence H. Weintraub 

SUBJECT: School Year 2009- 2010 District Costs for Food Service in
After School Hours Program

DATE: September 8, 2009

The Office of SchoolFood has reviewed its per meal costs for all suppers and snacks served in the after-school program. Once again, nutritious items can be provided to the districts and non-public school programs for a nominal charge to cover expenses not reimbursed. It is necessary that sufficient funds be budgeted to cover food service. **Parents and children cannot be charged for food service either directly or indirectly through a "registration" fee.**

The instructional program is not levied a charge for children properly certified and documented as eligible for free or reduced-price meals or snacks served to children in schools in which at least fifty percent of the students are eligible for free or reduced-price meals.

Please refer to the attached list of schools with less than fifty percent of their enrollment documented as eligible for free or reduced price meals.

Suppers: The charge for suppers based on the student's certified eligibility is as follows.

<u>Student's Certified Eligibility</u>	<u>Supper</u>
Reduced-Price	.75
Full-Price	2.25

Snacks: The charge for snacks based on the student's certified eligibility is as follows:

<u>Student's Certified Eligibility</u>	<u>Snacks</u>
Reduced-Price	.15
Full- Price	.75

All public school programs must encumber sufficient funds for estimated annual meal service by issuing a purchase order to the Office of SchoolFood (vendor #OFF014000) for costs not covered by the USDA reimbursement allowance. An invoice will be prepared monthly, billing the program for the costs, based on the claim as filed. Non-public school programs must reserve sufficient funds to cover food service costs that will be billed monthly by the Office of SchoolFood.

Any school or district that failed to remit required claim information or that has a balance due from a prior school year must reconcile the account with the Office of SchoolFood prior to applying for 2009 - 2010 meal service.

Reporting Meal Service

The number of snacks served is to be reported weekly on the MIE-1 form ("Report of Meals Served") and the number of suppers served is to be reported monthly on the MIE-4 form ("Report of Suppers Served").

Because federal reimbursement is provided for meals served in after school programs, **IT IS IMPERATIVE THAT PARTICIPATING SCHOOLS AND ISCS STRICTLY ADHERE TO THE OFFICE OF SCHOOLFOOD GUIDELINES AND FEDERAL REQUIREMENTS TO PRECLUDE THE POSSIBILITY OF DISALLOWANCES.** Please refer to OSSS Memorandum No. FS5-2010 for instructions regarding monthly reporting of daily snacks or supper service by eligibility type.
